OUTCOME 5 Primary Care

Topic: REDCLIFFE GP SUPER CLINIC

Written Question on Notice

Senator Boyce asked:

Apparently the Redcliffe Super Clinic does not yet have an operator. Given the time this project has been in the pipeline why does it not still have an operator?

Answer:

The publicly advertised competitive procurement process being conducted by the Redcliffe Hospital Foundation for a suitable operator is well advanced. Approval by the Commonwealth and the Queensland Government of the lease to the operator is required.
