Written Question on Notice

Senator Fierravanti-Wells asked:

Further to the answer which was provided in response to Question E11-333 re National Alliance for Action on Alcohol, please explain why have you refused to disclose how much Professor Daube is being paid for his various roles with the Commonwealth? What is Professor Daube's remuneration?

Answer:

Professor Daube does not receive any remuneration from the Department of Health and Ageing for advice on alcohol policy.

As previously advised, membership of Commonwealth bodies is remunerated according to Remuneration Tribunal determinations as made from time to time. These determinations can be found on the Remuneration Tribunal website at: <http://www.remtribunal.gov.au/>
