Outcome Number: Cross

Question No: 83

Topic: Corporate Cars

Hansard Page: Written

Senator McKenzie asked:

How many cars are owned by each department and agency in your portfolio?

Where is the car/s located?

What is the car/s used for?

What is the cost of each car for this financial year to date?

How far did each car travel this financial year to date?

Answer:

The Department does not own any motor vehicles.

For the period 1 July 2011 to 31 January 2012, 296 motor vehicles were owned by Portfolio Agencies. These vehicles are primarily operated in regional and remote areas and on the Torres Strait Islands.

The information sought on the cost and travel is not maintained centrally and due to the geographic distribution of Portfolio Agencies owned vehicles it is not possible to obtain this level of information.
