Topic: Domestic Violence Workplace Rights and Entitlement Project

Hansard Page: Written

Senator Cash asked:

With reference to QoN answer 131, which states that DEEWR manages the contract for this program and is therefore responsible for monitoring it: What briefings or reports has the Office for Women sought from DEEWR staff responsible for the contract?

Answer:

Consistent with the Beijing platform, this Government and the previous Government have supported gender mainstreaming as the best practice approach to ensuring gender is considered in the full range of decisions affecting women. As the Domestic Violence Workplace Rights and Entitlement Project is funded by DEEWR this question should be referred to that department.

The Office for Women does not maintain a list of meetings.
