**Topic:** Commissioned Reports

**Hansard Page:** Written

**Senator Cash** asked:

How many Reports have been commissioned by the Government in the Status of Women portfolio since November 2007?

Please provide details of each report including:

- a. Date commissioned,
- b. Date report handed to Government,
- c. Date of public release; and
- d. Terms of Reference;

How much did each report cost?

How many staff were involved in each report and at what level?

What is the current status of each report?

**Answer:**

A number of the reports commissioned by the Government in the Status of Women portfolio are available at <http://www.fahcsia.gov.au/SA/WOMEN/PUBS/Pages/default.aspx>  
*Please note not all of the reports on this website have been commissioned by the Department of Families, Housing, Community Services and Indigenous Affairs.*

To provide the level of detail requested would involve an unreasonable diversion of the Office for Women's resources.
