Dear Secretary

I am writing to you regarding correction to information supplied in response to a question on notice from the February 2013 Additional Estimates. Please refer to question CA0035\_13.

At the February 2013 Additional Estimates hearings, the department took on notice a question regarding Indigenous Employment Program (IEP) funding for Coles Supermarkets Australia Ltd.

It has come to my attention that two projects were not included in the response and an IEP project that was included also provided services to Woolworths and Dick Smith as well as to Coles Supermarkets Australia Ltd. This information affected the value for these projects and the commencement into employment figure. Please find below an updated version of our response.

I would appreciate it if you could draw this fact to the attention of the Committee and I apologise for any inconvenience.

Yours sincerely

Jennifer Taylor
