**Type of question:** Written

**Date set by the committee for the return of answer:** 5 April 2013

**Number of pages:** 7

**Question:**

- a) Could the department/agency provide a list of all grants, including ad hoc and one-off grants for this financial year to date? Please provide details of the recipients, the amount, the intended use of the grants and what locations have benefited from the grants.
- b) Have all grant agreement details been published on its website within the required timeframe? If not, provide details.
- c) Provide a list of grants that your department/agency administers that had uncommitted grants funding reduced as per the statement by the Finance Minister on 22 October 2012 (see [http://www.financeminister.gov.au/media/2012/mr\\_2102012.html](http://www.financeminister.gov.au/media/2012/mr_2102012.html)). How much was funding reduced for grant?

**Answer:**

- a) No new grants under the *Community Innovation through Collaboration* Budget measure have been made in the current financial year to date. Grants made in 2011-12 under this measure have funding commitments in 2012-13. A list of these grants is provided at Attachment A.
- b) The Department of Human Services published information related to grants payments on the Department's internet site within the required timeframe.
- c) The Department has only one grants program, the Local Solutions Fund, that had uncommitted funds reduced as part of the Whole of Government Review in late 2012. The amount of the reduction was \$3.2 million for 2012-13 only.
