OUTCOME 0: Whole of Portfolio

Topic: Printing Costs

Type of Question: Written Question on Notice

Senator: Senator Boyce

Question:

How many documents (include the amount of copies) have been printed this financial year to date? How many of these printed documents were also published online?

Answer:

Information is not readily available regarding the number of documents, printed quantities and delivery costs. To compile this information would be a highly resource intensive process which the Department of Health and Ageing is not currently in a position to undertake.

All printed publications produced by the Department, Therapeutic Goods Administration, National Industrial Chemical Notification and Assessment Scheme and the Office of Gene Technology Regulator are made available online.
