**OUTCOME 0:** Whole of Portfolio

**Topic:** Staff Amenities

**Type of Question:** Written Question on Notice

**Senator:** Senator Boyce

**Question:**

What amenities are provided to staff? Provide a list.

**Answer:**

Since the Department of Health and Ageing's response to Question on Notice E12-112 (Supplementary Budget Estimates) there has been no change to amenities provided to staff.

Amenities vary between sites due to the building fit-out and size of the leased premises.

General amenities include staff shower and locker facilities, bicycle storage, indoor and/or outdoor eating areas, sick/carers rooms, breakout rooms and kitchens which are generally equipped with a fridge, microwave, hot and cold water dispenser, television, sandwich press and toaster.
