Has the Authority ever provided a grant of financial assistance to a person or body other than a state or territory? If yes, please identify these persons or bodies.

**Answer:**

The Authority has provided a number of grants to a person or body other than a state or territory. Under the Commonwealth Grant Guidelines an 'agency *must* publish, on its website, information on individual grants no later than fourteen working days after the grant agreement takes effect.'

On the Authority's website under accountability and reporting are the details of all grants awarded since 1 July 2009, these include all grants awarded to persons or body other than a state or territory.
