- a) The department is required under the *Legal Services Directions 2005* to report specific information about legal services expenditure to the Office of Legal Services Coordination annually. It would be an unreasonable diversion of resources to provide this information prior to the normal reporting cycle, and to provide additional information which is not required to be reported under the Legal Services Directions.
- b) See (a) above
- c) Legal advice is procured from the department's internal legal division and external legal services providers. Legal advice is identified as being any advice obtained by the department about a legal matter which is provided by a legally qualified professional.
