**Question No:** 10

**Topic:** ACNC

**Hansard Page:** Written

**Senator Moore** asked:

Who will monitor the level of red tape for charities (currently part of the work and reporting requirements for the ACNC)?

**Answer:**

The Department is working across government to ensure arrangements are in place following the abolition of the ACNC to facilitate a smooth transition. The abolition of the ACNC is part of the Government's broader deregulation agenda to remove excessive, unnecessary and overly complex red and green tape imposed on business, community organisations and individuals.
