Question No: 287

Topic: Paid Parental Leave

Hansard Page: Written

Senator Moore asked:

If a maximum income limit is different to \$150,000 (for example, if the income limit has been reduced to \$100,000), what is the impact on costs?

Answer:

Reductions to the maximum income limit could be expected to reduce the cost of the Paid Parental Leave scheme. The Department has not formally costed such a proposal.
