Topic: National Affordable Housing Agreement (NAHA)

Hansard Page: Written

Senator McLucas asked:

Will there be a formal submission process regarding the future of the NAHA and any proposed changes?

Answer:

At the National Housing Conference on 1 November 2013, the Minister invited the sector and state and territory governments to contact him with their views on housing and homelessness policy. The Minister has received correspondence from two states and two non-government organisations so far. The Government is considering options in relation to any further processes for obtaining views.
