Topic: Harmonisation of fundraising regulation

Hansard Page: Written

Senator Moore asked:

How is the government going to progress the issue of harmonisation of fundraising regulation now that this issue has been dropped from the COAG process?

Answer:

Fundraising regulation is a state and territory responsibility. Work to develop a nationally consistent approach to charitable fundraising continues to be progressed by the Council of Australian Governments' Legislative and Governance Forum on Consumer Affairs (CAF). The Assistant Treasurer is the Commonwealth representative on CAF.
