#### m. Other payments received.

Carer Supplement is only paid to carers receiving one or more qualifying payments. The number of carers receiving each qualifying payment is shown in the table below. These should not be added because some carers are counted more than once, for example, a carer receiving both Carer Allowance and Carer Payment would be counted twice. Carers might also receive other social security payments. The Department of Social Services does not have this data available.

Qualifying Payment	Number of Carer Supplement Recipients
DVA – Wife Pension	<20
DVA – Partner Service Pension	14,939
Carer Allowance	583,111
DVA – Carer Service Pension	<20
