**Senator Moore** asked:

What amount of funding was allocated to the Gungahlin Jets Football Club?

The Gungahlin Jets have said that they planned to use their funds allocated to fit a security roller door and security cameras, amongst other things. The Gungahlin Jets' premises were broken into and robbed on 13 February 2014. Could this have been prevented if the Government had complied and awarded the Gungahlin Jets their allocated funding?

The Gungahlin Jets' said on 2CC Radio on 17 February 2014 that they have been promised some reimbursement from the Government. What amount of reimbursement will they be receiving?

**Answer:**

The Gungahlin Jets were originally advised they would receive grant funding of \$66,600.

The Department is not in a position to determine if this event could have been prevented.

The Department has undertaken to reimburse the organisation for \$5,800 relating to expenditure incurred, upon presentation of evidence.
