**Topic: NRAS**

**Hansard page: Written**

**Senator McLucas, asked:**

1. Please advise:

- a) How many NRAS dwellings have been completed and tenanted/allocated?
- b) How many NRAS incentives are still reserved? (allocated but not yet delivered)
- c) How many. If any, incentives have been withdrawn? If applicable, what were the reasons for the withdrawal?

**Answer:**

(a) As at 26 February 2015, 25,378 dwellings have been completed and available for rent.

(b) As at 26 February 2015, 12,304 allocations are reserved (not yet complete).

(c) As at 26 February 2015, 7,853 incentives have been withdrawn.

The main reason for withdrawal is Approved Participants being unable to deliver dwellings into the scheme within an acceptable timeframe.
