Outcome Number: 2.5 Child Care Benefit

Question No: SQ15-000093

Topic: Child Care

Hansard page: Written

Senator Lines, Sue asked:

How many (by number and proportion) of CCB recipients have receiving the maximum rate and partial rate of CCB over each of the last five years, broken down by state and territory?

Answer:

The table below provides the number and proportion of CCB recipients receiving the maximum and partial rate of CCB since 2012 (based on the March quarter data).

	Maximum rate CCB		Partial Rate CCB	
	No.	%	No.	%
March qtr 2012	184,080	26.7%	308,740	44.8%
March qtr 2013	189,860	26.0%	316,130	43.3%
March qtr 2014	201,120	25.9%	327,150	42.1%

The rate of CCB was not collected prior to 2012. To provide the information broken down by state and territory would require an unreasonable diversion of resources.
