Senator Lines, Sue asked:

What are the mean, mode and median amounts of CCB and CCR received by families over each of the last five years?

Answer:

The following table shows the estimated average weekly CCB and CCR amounts received by families over each of the last five years.

	Estimated average weekly CCB amount	Estimated average weekly CCR amount
Financial year 2008-09	\$50	Not available
Financial year 2009-10	\$52	\$37
Financial year 2010-11	\$52	\$42
Financial year 2011-12	\$53	\$47
Financial year 2012-13	\$56	\$53

To provide the mode and median amounts would require an unreasonable diversion of resources.
