Senator Brown, Carol asked:

When will organisations that have been provided bridging funding be informed of the organisations that will be taking over the services that they were previously funded to provide?

Answer:

Department Grant Agreement Managers are currently working with organisations on this issue. To assist with transition efforts, current and new Emergency Relief providers received an email from the Department with the name and publically available website address of both current and new providers in their SA4 location on 12-13 March 2015.
