Senator Moore, Claire asked:

Can the Department guarantee that nobody who would qualify for the DSP under current arrangements would receive a lesser rate under the new proposal? I.e. would a person going on the DSP today receive more or less than a person going on the DSP after the introduction of the new structure?

Answer:

The question was answered at the Estimates Hearings on Thursday 26 February 2015 – pages 124-125 of Proof Committee Hansard for Senate Community Affairs Legislation Committee refer.
