1. How many reports (including paid external advice) have been commissioned by the Minister, department or agency?
  - a. Please provide details of each report including date commissioned, date report handed to Government, date of public release, Terms of Reference and Committee members.
2. How much did each report cost/or is estimated to cost? How many departmental or external staff were involved in each report and at what level?
3. What is the current status of each report? When is the Government intending to respond to these reports?

**Answer:**

The Department routinely commissions reports, including paid external advice. To identify these would require a significant diversion of resources.
