Topic: Grants

Hansard page: Written

Senator Claire Moore asked:

Please provide a list of all organisations that have had their overall funding per annum from the Department reduced since the 2013 election, the quantum of that reduction and the electorate in which they are located.

Answer:

To provide information in regards to reduction in funding for each individual organisation would require an unreasonable diversion of resources. Furthermore, funding is on the basis of service areas which do not align to electorates.
