Topic: Disability Advocacy

Hansard page: Written

Senator Claire Moore asked:

Is the department doing any work on longer-term funding for advocacy, given its increasing importance as the NDIS rolls out?

Answer:

Funding for the National Disability Advocacy Program (NDAP) will continue. Current NDAP grant agreements are being extended until 30 June 2017. NDAP is being reviewed this year in the context of the changes associated with the National Disability Insurance Scheme and the review will inform future funding arrangements.
