Senator Carol Brown asked:

Can we have the information that you based the 190,000 calculation on? A year-by-year breakdown?

Answer:

Based on a 1 January 2017 start date, 190,000 people are estimated to be impacted by this change over the forward estimates. Approximately 37,000 in 2016-17, 75,000 in 2017-18 and 78,000 in 2019-20.
