HEALTH PORTFOLIO

Additional Estimates 2015 - 2016, 10 February 2016

Ref No: SQ16-000152

OUTCOME: 11 – Ageing and Aged Care

Topic: Aged Care

Type of Question: Hansard Page 95, 10 February 2016

Senator: Siewert, Rachel

Question:

Senator SIEWERT: I am wondering, because I am conscious of time, whether it is possible for you to table the list of projects?

Ms Moody: I do not know if I have it in a form where I could just table it but I can certainly give it to you on notice.

Senator SIEWERT: That would be great if you could.

Ms Moody: Yes. There is a whole range of projects.

Senator SIEWERT: Yes. That would be helpful.

Ms Moody: During what was the Aged Care Service Improvement and Healthy Ageing Grant, ACSIHAG, that you might remember—

Senator SIEWERT: Yes. I always loved that name.

Ms Moody: It is now, DACS, Dementia and Aged Care Services program. There are various grants rounds where we go out to the market for projects; CALD and the other special needs groups are also a focus of additional projects that we would take on that aim at those. The point I am trying to make is that the strategy is always growing and changing.

Senator SIEWERT: If you could table that—

Ms Moody: Yes, I can.

Senator SIEWERT: Does it have the cost of the projects as well?

Ms Moody: We can give you the cost, the time and who the organisation is with, because all of that is publicly available in that all grant information is funded. These are grants. We can give you a consolidated list under the CALD strategy.
