ANSWERS TO ESTIMATES QUESTIONS ON NOTICE

HEALTH PORTFOLIO

Additional Estimates 2015 - 2016, 10 February 2016

Ref No: SQ16-000292

OUTCOME: 0 - Whole of Portfolio

Topic: Health Peak and Advisory Bodies

Type of Question: Hansard Page 26, 10 February 2016

Senator: Gallagher, Katy

Question:

Mr Cormack: Just to add further confusion to this: some of these individual organisations are also receiving funding from other funding pools, a number of which have a number of years to run.

Senator GALLAGHER: But they might have lost their peak funding status through this?

Mr Cormack: That is right, yes.

Senator GALLAGHER: If I could get that, that would be good. Also, just in a general sense—I am sure you have got it in a format that is available—a list of organisations expiring on 30 June?

Mr Bowles: We can take that on notice. Again, this is the complexity of these funds. Some will expire and get new funding, some will expire because it has come to a natural conclusion and some will expire because the priorities change. It is a bit complex trying to come up with the specific answer to that. We will take it on notice.

Answer:

The following is a list of organisations that, as at 29 March 2016, were undertaking one or more activities funded under grant funding agreements due to expire on 30 June 2016.
