Additional Budget Estimates 2015 - 16, 16 March 2016

Ref No: SQ16-000315

OUTCOME: 1 - Population Health

Topic: GM Expert Panel Involvement in New Breeding Techniques

Type of Question: Hansard Page 3, 16 March 2016

Senator: Siewert, Rachel

Question:

Did FSANZ specifically ask each of the expert panel participants in the 2012 and 2013 new breeding techniques technical workshops whether they were involved in new breeding techniques?

Answer:

No. Food Standards Australia New Zealand (FSANZ) was already aware of each participant's expertise and research interests in the general area.
