**Question:**

Please provide a list of organisations funded under the Chronic Disease Prevention and Service Improvement Fund whose grants are expiring on 30 June 2017. Please provide a) organisation name b) funding amount for 2016-17 c) state/territory d) funding allocation for 2017/18.

**Answer:**

As of 1 July 2016, Flexible Funds were transitioned to the Department of Health's revised program structure. Organisations previously funded through Flexible Funds now receive funding through the revised program structure. The mapping of Flexible Funds to the revised program structure can be found in the Health Portfolio Budget Statement 2016-17, Section 1.4: *Changes in Entity Outcomes and Programs*, pp.32-36.

Details of grants administered by the Department are published on the Internet at <http://www.health.gov.au/internet/main/publishing.nsf/Content/pfps-grantsreporting>.

Funding allocations for 2017/18 to the organisations with grants expiring on 30 June 2017 are not finalised and will be influenced by the outcomes of grant opportunities underway, considerations in relation to extension by variation, and Government consideration of ongoing priorities.
