**Topic:** Funding

**Type of Question:** Written Question on Notice

**Senator:** Farrell, Don

**Question:**

ASC funding to sporting organisations in 2016-17 has decreased by more than \$3.7 million compared with 2015-16 to what extent has that reduction been forced by reductions in Government funding of sport?

**Answer:**

The reduction of \$3.7 million comprises:

- A reduction in participation grants (please refer to the response provided to Question on Notice SQ17-000476)
- A reduction in high performance grants of \$1.9 million as a result of the efficiency dividend.
