Senator Boyce asked:

Have complete base-line maps (not partial reports) now been provided to each of the 29 priority communities as required under the Remote Service Delivery National Partnership? If not, why?

Answer:

Complete baseline mapping reports have been provided to all 29 communities. On 3 June 2011 Mr James noted that all baseline reports apart from those in the four Cape York, Remote Service Delivery (RSD) Communities have been provided to RSD communities. The 4 Cape York RSD communities have now been provided with full baseline reports.
