Written Question on Notice

Senator Boyce asked:

What is the Department's hospitality spend FYTD? Please detail date, location, purpose and cost of all events. Please detail any catering costs, listing the cost of food and beverages, and include a separate list of alcohol costs.

Answer:

The hospitality expenditure for the period 1 July 2010 to 31 May 2011 was \$61,887.85 as per the itemised list below. As the Department's Financial Management Information System is not configured to separately capture food, beverage and alcohol costs, the diversion of resources necessary to extract the details from the individual invoices cannot be justified.
