Written Question on Notice

Senator Siewert asked:

Please provide the following data on the Community Care packages.

The total number of packages in each state:

- allocated
- operational (are currently actively servicing clients)

For all categories:

- CACP
- EACH
- EACHD

Please breakdown to the allocation by regions in each state.

Answer:

Please see Table 1 at Attachment A – Community care operational and allocated places by planning region as at 30 June 2010. No community care places were recorded as being offline. This data has been sourced from the 2010 Stocktake of Aged Care Places.
