Senator Boyce asked:

Why haven't the principles of 'shared learning's' as enunciated by Peter Fleming and NEHTA executives about "shared learning's" been applied to this and other taxpayer funded overseas travel.

Answer:

The participation of NEHTA staff in international meetings regarding eHealth informs NEHTA's strategy and approach to implementing eHealth in Australia.

This strategy and approach is publicly available through various documents on the NEHTA website such as the refreshed Strategic Plan 2009-12, implementation plans, and sector plans.
