ANSWERS TO ESTIMATES QUESTIONS ON NOTICE

HEALTH AND AGEING PORTFOLIO

Budget Estimates 2012-2013, 30 & 31 May and 1 June 2012

Question: E12-155

OUTCOME 1: Population Health

Topic: Substance Misuse Service Delivery Grants fund and the Non Government Organisation Treatment Grants Program

Type of Question: Hansard Page 31, 1 June 2012

Number of pages: 3

Senator: Senator Siewert

Question:

Priority one of the fund is about capacity-building activities, support for drug and alcohol services. So it is not specific to Indigenous services. In 2011-12, WA had 11 organisations funded to deliver 11 projects, at a cost of \$1.7 million. Under priorities two and three of the fund, which are Indigenous specific-they are either for Indigenous organisations or for organisations that provide services to Indigenous people. Under those two priorities in 2011-12 \$7.2 million is being allocated to 12 organisations.

Could you take on notice the question of the names of the organisations and the projects?

Answer:

For Western Australia, the 11 organisations, and their projects, funded under priority one of the fund in 2011-12 are:

Organisation	Project
Centrecare Goldfields	Build capacity of the organisation and the alcohol and other drug workers in the Goldfields region to better identify and effectively treat people with comorbid drug and alcohol problems and mental illness, through a range of service improvement activities.
Drug Arm WA	Build capacity of the organisation to better identify and effectively treat people with comorbid drug and alcohol problems and mental illness, through a range of service improvement activities.

Ngnowar Aerwah Aboriginal Corporation	Build capacity of the organisation to better identify and effectively treat people with comorbid drug and alcohol problems and mental illness, through a range of service improvement activities.
Ord Valley *has handed over responsibility to lead organisation Ngnowar Aerwah	Build capacity of the organisation to better identify and effectively treat people with comorbid drug and alcohol problems and mental illness, through a range of service improvement activities.
Holyoake	Build capacity of the organisation to better identify and effectively treat people with comorbid drug and alcohol problems and mental illness, through a range of service improvement activities.
Mission Australia	Build capacity of the organisation to better identify and effectively treat people with comorbid drug and alcohol problems and mental illness, through a range of service improvement activities.
Palmerston Association	Build capacity of the organisation to better identify and effectively treat people with comorbid drug and alcohol problems and mental illness, through a range of service improvement activities.
Perth Metro Residential Alcohol and Other Drug Services Consortium	Build capacity of the organisation to better identify and effectively treat people with comorbid drug and alcohol problems and mental illness, through a range of service improvement activities.
Perth Metropolitan Non Residential & Family Alcohol and Other Drug Services Consortium	Build capacity of the organisation to better identify and effectively treat people with comorbid drug and alcohol problems and mental illness, through a range of service improvement activities.
Women's Health Services Consortium	Build capacity of the organisations dealing with women, children and the culturally and linguistically diverse female population to better identify and effectively treat people with comorbid drug and alcohol problems and mental illness, through a range of service improvement activities.
Milliya Rumurra Aboriginal Corporation	Build capacity of the organisation to better identify and effectively treat people with comorbid drug and alcohol problems and mental illness, through a range of service improvement activities.

The 12 organisations, and their projects, funded in 2011-12 under priorities two and three are:

Organisation	Project
Bega Garnbirringu Health Services Incorporated	Provide holistic and culturally appropriate substance use services in the Goldfields Region.
Bloodwood Tree Association	Provide holistic and culturally appropriate substance use services in Port Hedland.

Aboriginal Alcohol & Drug Service (AADS) Incorporated	Provide holistic and culturally appropriate substance use services in the Perth metropolitan area.
