Question No: 55

Topic: McKinlay Shire Council

Hansard Page: 28/05/2012 - CA91

Senator Payne asked:

Was the submission by the McKinlay Shire Council made to the Department and, if not, whom? Was this the only project of this nature considered for construction in this particular budget period?

Answer:

Many individuals and organisations make submissions to the Government in the lead-up to the Budget that are taken into account during the Budget decision-making process. Submissions made to the Government as part of the Budget process are treated as confidential and not publicly disclosed.
