Question No: 58

Topic: Community Activity Centres

Hansard Page: 28/05/2012 - CA92

Senator Payne asked:

Can you indicate how many community activity centres, either co-located with housing or otherwise, have been funded by the Department previously and when?

Answer:

As there is no standard definition of what constitutes a 'community activity centre' and community centres are generally funded as part of broader projects it is not possible to identify a complete list of relevant funding items.
