Senator Cash asked:

I refer to the answer to question on notice 231 from the 2011-12 additional estimates -what relationship does the Office for Women have with Treasury in terms of high-level advice on superannuation and financial literacy more generally?

Answer:

Consistent with the Beijing platform, this Government and the previous Government have supported gender mainstreaming as the best practice approach to ensuring gender is considered in the full range of decisions affecting women. The Office for Women provides support to portfolios to consider gender equality in their policies and programs in a variety of ways.
