I refer to the answer to question on notice 202 from the additional estimates 2011-12. Given that one of the roles of the Office of Women is to promote the cross-portfolio and whole of Government monitoring and promoting of gender equality, why is data on the number of gender expert, gender equality experts of people with gender-specific knowledge expertise across Government Department over the past year not collected? Do you have a KPI in relation to this role? What is it?
