Hansard Page: Written

Senator McKenzie asked:

How many consultancies are planned for this calendar year? Have these been published in your Annual Procurement Plan (APP) on the AusTender website and if not why not? In each case please identify the subject matter, duration, cost and method of procurement as above, and the name of the consultant if known.

Answer:

Planned consultancies for each financial year are described in the Department's Annual Procurement Plan which is published on the AusTender website each June. The Annual Procurement Plan provides a forecast of planned contract activity and includes a brief description of the Consultancy topic and the expected date of approach to market.
