ANSWERS TO ESTIMATES QUESTIONS ON NOTICE

National e-Health Transition Authority (NeHTA)

Budget Estimates 2012-13

Question: 9

OUTCOME 10.2: e-Health

Topic: Tiger Teams

Senator Boyce asked:

Have the Tiger Teams produced any verifiable results?

- a. Have those results been published?**
- b. If not, why not?**

Answer:

NEHTA has used reference groups and focused working groups, referred to as Tiger Teams, successfully for a number of years. These groups support broad consultation and a collaborative development process for specifications.

The Tiger Teams have provided verifiable results, as demonstrated by the completion of the NEHTA Specifications and the ongoing work to support the development of Committee Drafts based on candidate NEHTA Specifications into the Standards Australia publication process.
