Topic: New office

Hansard Page: Written

Senator Scullion asked:

I hear that IBA is actively pursuing a new head office lease at premises based at Canberra airport. If this is correct can you tell me what stage the negotiations are up to?

Answer:

Indigenous Business Australia's (IBA's) lease on its existing National Office is in its final year with no further lease extensions available. As such, at the Board meeting on 31 May 2013, the IBA Board agreed to relocate its National Office to Majura Business Park.

The project is currently in the definition and start-up stage.
