- d) Yes. \$2,227 interest has been paid in the period 1 July 2012 to 31 May 2013. \$4,297 interest was paid for the period 1 July 2011 to 30 June 2012.

The rate of interest is 1.5 per cent. Under the Small Business Payments Policy interest is calculated based on the General Interest Charge rate as per Section 8AAD of the *Taxation Administration Act 1953*. The rate is published on the Australian taxation Office website. The specific rate varies depending on the period in which a payment falls.
