ANSWERS TO ESTIMATES QUESTIONS ON NOTICE

HEALTH AND AGEING PORTFOLIO

Budget Estimates 2013-14, 5/6 & 7 June 2013

Question: E13-252

OUTCOME: 1 – Population Health

Topic: Impact of Overseas Transplantation

Type of Question: Hansard Page 28, 5 June 2013

Senator: Smith

Question:

Provide data, if available, on the number of patients in the public hospital system for follow-up treatment after an overseas transplant.

Answer:

Data on the number of patients in the public hospital system for follow-up treatment after an overseas transplant is available to December 2011, though the data has limitations. The data has been provided by the Australia and New Zealand Organ Donor Registry.
