Senator Fifield asked:

Can the department provide the draft scripts for the television advertisements?

Answer:

The DisabilityCare Australia television script that went to air on 16 June is as follows:

“The new DisabilityCare Australia ... means I can look forward ... to lifelong support for Michael... to working with a personal planner now that I have MS... to getting a new wheelchair.

This new scheme ... will give people like me... and families like ours...the support we haven't had before.
