2013-14 Budget Estimates Hearings

Outcome Number: 5

Question No: 61

Topic: Disability Support Pension

Hansard Page: 03/06/2013 - CA38

Senator Fierravanti-Wells asked:

With reference to Additional Estimates QoN 295, of the 68,605 Disability Support Pension recipients with income from employment, how many were in the psychological/psychiatric category.

Answer:

As at February 2013, of the 68,605 Disability Support Pension recipients with income from employment, 16,078 had a primary medical condition in the psychological/psychiatric category.

As at May 2013, of the 68,973 Disability Support Pension recipients with income from employment, 16,384 had a primary medical condition in the psychological/psychiatric category.
