**Hansard Page:** 03/06/2013 - CA106

**Senator Payne** asked:

In relation to the Prime Minister's Council on Homelessness website, can you please indicate why no reports have been made since June 2011; whether, if reports have been made but have not been made public, they can now be provided to the committee; and, if reports have not been made, why they have not been made?

**Answer:**

No reports have been made since June 2011 as the Prime Minister's Council on Homelessness (the Council) made a decision to move to the production of an end of term report.

The Council publish a communiqué on the key themes and outcomes of each meeting, available at [www.fahcsia.gov.au](http://www.fahcsia.gov.au).

The Council also sends correspondence to the Prime Minister after each meeting. The Department would need to seek the views of the Council to release these letters.
