Question No: 122

Topic: Social Housing

Hansard Page: 03/06/2013 - CA116

Senator Ludlam asked:

What is the average waiting time in WA for priority and non-priority social housing applicants? What does that mean and what are people experiencing as priority and non-priority applicants, with particular regard to WA?

Answer:

The Department does not have any information on social housing waiting lists. Social housing waiting lists and allocations to priority applicants within Western Australia are the responsibility of the Western Australian Government.
