Question No: 142

Topic: Family Tax Benefit

Hansard Page: 04/06/2013 - CA24-25

Senator Siewert asked:

Could you provide the breakdown of income for recipients of Family Tax Benefit who would receive less FTB as a result of the lodgement period changing from 2 years to 1 year?

Answer:

Modelling of the savings for this measure is based on how many families would meet the new lodgement time limits and uses aggregate assumptions for the whole population. As a result it is not possible to provide a breakdown of income characteristics of those adversely affected.
